Approved by: CEO
Author: CEO
Owner (Dept): HEAD OFFICE
Date Reviewed: NOV26
End User: MAST STAFF

Maritime Asset Security & Training (MAST) Ltd is committed to providing a secure environment for its clients, employees and contractors that takes into account industry best practices and all applicable international and national legislation relevant to its operations.

MAST Security Management System ensures that:

- MAST ensure the safety and security of our clients, employees and contractors within the implemented Security Management System.
- MAST continuously set measureable targets and objectives surrounding business operations, all security matters.
- MAST has in place a robust Risk Assessment process which identifies potential security threats and all treatments in order to mitigate potential risks.
- MAST will continuously monitor and measure the effectiveness of its Security Management System in order to drive continuous improvement.
- All applicable legislation is monitored and documented in order to ensure regulatory compliance in all operations through the ISO processes.
- This Statement is reviewed on an annual basis for continued relevance and compliance.
